| 13                    | ✓ click           | css=.contenedorbotones                        |              |
| 14                    | ✓ click           | css=.boton > font > font                      |              |

### Running 'bloque buscador'

1. open on / OK
2. setWindowSize on 704x502 OK
3. type on name=myBrowser with value Buenos aires OK
4. type on name=myBrowser with value Rosario OK
5. type on name=myBrowser with value Cordoba OK
6. click on css=.contenedorbuscador OK
7. type on name=myBrowser with value Mendoza OK
8. click on css=.FechaRetiro OK
9. click on css=.react-datepicker\_\_day--025 > font > font OK
10. click on css=.calendario2 OK
11. click on css=.react-datepicker\_\_day--030 OK
12. click on css=.react-datepicker\_\_day--030 > font > font OK
13. click on css=.contenedorbotones OK
14. click on css=.boton > font > font OK

**'bloque buscador' completed successfully**

### Enrutador a home (TC14- Navegación Home)

The image shows the Selenium IDE interface. At the top, there's a toolbar with icons for play, stop, refresh, and a dropdown menu. Below the toolbar, the address bar shows 'http://localhost:3000/'. The main area contains a table with test steps:

|   | Command         | Target                                     |
|---|-----------------|--|
| 1 | open            | http://localhost:3000/home                 |
| 2 | set window size | 1382x744                                   |
| 3 | click           | xpath=("//nav[@id='navbar']/div/a/span)[4] |

Below the table, the status bar shows 'Running 'home'' and a list of steps with their status:

- 1. open on http://localhost:3000/home OK

The final status is **'home' completed successfully**.

## Evento login usuario (TC04-ingreso de mail de registro)

| http://localhost:3000/ |                   |  |                 |
|------------------------|-------------------|--|-----------------|
|                        | Command           | Target   | Value           |
| 1                      | ✓ open            | http://localhost:3000/                         |                 |
| 2                      | ✓ set window size | 702x500  |                 |
| 3                      | ✓ click           | css=#offcanvasNavbarLabel-expand-sm .btn-close |                 |
| 4                      | ✓ type            | id=formBasicNombre                             | patri@gmail.com |
| 5                      | ✓ type            | id=formBasicPassword                           | hola123         |
| 6                      | ✓ mouse down at   | css=html                                       | -20,333         |
| 7                      | ✓ mouse move at   | css=html                                       | -20,333         |
| 8                      | ✓ mouse up at     | css=html                                       | -20,333         |
| 9                      | ✓ click           | css=html                                       |                 |
| 10                     | ✓ click           | css=.container                                 |                 |

| Log | Reference |
|-----|-----------|
